March 2021

FREEMASONRY promotes a way of life that binds like-minded men with the principles of Brotherly Love, Relief and Truth in order to serve God, Family, Country, Neighbor and Self. -The Grand Lodge of NJ

Brethren,

I hope this message finds you and your families safe and well. As the vaccine campaign progresses forward throughout the state of NJ, I would hope by now that some of you have received your first injection and possibly your second. Please expend as much time as you are able, to register on every possible site you can. Once that is done, patience is the key. Your number will be called.

February was a challenging month for NJ weather wise. It is said that “God only gives you as much as you can handle”. So, on top of Covid-19 we have snow to contend with. All done to try our patience and strengthen our resolve. Our craft teaches us diligence, prudence, temperance and discretion. We are reminded of it at every regular communication. Take a minute to think about the definition of these words.

Diligence – Careful and persistent work or effort

Prudence – To exercise caution

Temperance – Voluntary self-restraint in your actions

Discretion – Behaving or speaking in such a way as to avoid causing offense or revealing private information. The freedom to decide what should be done in a particular situation.

Over the last year we have had many restrictions imposed on us in the name of the greater good. As masons we learn the power of diligence, prudence, temperance and discretion and how that power elevates us above the common individual. It’s the light that we navigate with that has enabled us to

endure for centuries. We as masons live these words. Draw on the power of this light to aid you in getting through this difficult time. Remember, you are not alone!

Fraternally Yours,

JR Almerino, WM
