Master's Message:

Brethren:

What does Freemasonry mean to you? What do you want to get out of being part of the world's oldest and largest fraternity? Ritual? Social gatherings? Intellectual light? Leadership skills? Possibly other factors not

mentioned...Hopefully it's a combination of all these factors and more. We've all heard "You get out of it what you put into it" many times, and it holds true. I challenge all of our Mt. Zion Brothers that haven't come out in a while to come back and see what's new and exciting and be part of the growth and brighter light to shine for future generations after us.

I challenge all of our current active members to stretch your cable tows just a little more to guarantee the success of all of our regular social fund raising events and to make room for new ones, and for new ideas to lay the foundation for our lodge's health in the years to come.

Our fraternity is not in any way to interfere with your family, although including them makes all of us stronger, and makes all of our social events more fun. It's not to interfere with your other usual vocations (work, place of worship, etc.), but please do your best to stay involved as much as time will permit. It meant a lot to me personally to see active events, to learn from the Officers and other active non officer members since I've joined. Passing that light of knowledge through our practiced ritual and enjoying the comradely of our Brotherhood will ensure that our light continues to shine bright for future generations to follow. See you at Lodge!

God Bless You and Your Families...

Sincerely & Fraternaly

Izzy Garcia

Worshipful Master
