Master's Message:

Brethren:

Communication (from Latin *commūnicāre*, meaning "to share") is the activity of conveying information through the exchange of ideas, feelings, intentions, attitudes, expectations, perceptions or commands, as by speech, gestures, writings, behavior and possibly by other means such as electromagnetic, chemical or physical phenomena.

Communicating with others involves three primary steps: Thought: First, information exists in the mind of the sender. This can be a concept, idea, information, or feeling. Encoding: Next, a message is sent to a receiver in words or other symbols. Decoding: Lastly, the receiver translates the words or symbols into a concept or information that a person can understand. Source: From Wikipedia, the free encyclopedia...

Brethren, communications is one of if not the most important ways that we as humans help one another and express our thoughts and concerns, joy & love, to each other. *"Remember not only to say the right thing in the right place, but far more difficult still, to leave unsaid the wrong thing at the tempting moment."* - Bro. Benjamin Franklin

I welcome all members to express new ideas for our Lodge. We have a program with some kind of light to be dispensed for every meeting for the rest of the year, but if you have an idea for a presentation you'd like to see when we come back in September please let your officers know and we'll put something together. We have a busy schedule in June and even though we traditionally go "dark" over the summer months we will have some degree work for candidates already in the pipeline and a couple of others that just handed in petitions. We also have a couple social family functions planned. Let's do our best to be there for all our Brethren and help those

coming through the Degrees this year to become Better Men and Better Masons.

I am excited about the work that's being done in the apartments of the Temple and am excited of the new additions to the Lodge. Come out to a meeting so you don't miss any of it! Need a ride, reach out and you will get a ride. Have a safe and enjoyable summer. Best to You & Your Families

Sincerely & Fraternally

Izzy Garcia

Worshipful Master
